WARNING! PASTORS CAN GO TO HELL TOO

Watchtower Series

Femi Oluyamoju

Many of my friends are now pastors. I have never had the urge to be one so I don't envy them, rather I pray for them.

I see some of my friends trying to get promoted by all means and I feel sorry for them, they only saw the glamour they didn't see the burden.

PASTOR WILL ACCOUNT FOR EVERY MEMBER

Ezekiel 33:6

But if the watchman sees the sword coming and does not blow the trumpet to warn the people and the sword comes and takes someone's life, that person's life will be taken because of their sin, but I will hold the watchman accountable for their blood.'

While we will all give account of our lives to God, the pastor will also give account of his own life which includes the church members under you.

The day death was coming and you were supposed to warn your members but you didn't hear because your spiritual ear is not working, the death will kill but you will be accountable.

That member that died in sin and you should have preached/warned about the sin but you were busy preaching about building project, you will give account.

That church financier with two wives that you should have led to do restitution but you were managing might die in that sin and you will give account.

That lady that God brought into your church for counseling but you neglected because of your monthly meeting might die the next day and you will give account.

YOUR WORDS WILL STAND AGAINST YOU

Matthew 12:36 But I say unto you, That every idle word that men shall speak, they shall give account thereof in the day of judgment.

You have access to the microphone every Sunday and you teach people from the Bible. You will give account of every instructions you gave but you didn't obey yourself.

WOMAN, you teach other women submission but you are not submissive, God is waiting for you

HUSBAND: you teach other men love but you don't love your wife enough to be open to her, you will give account to God

You taught others forgiveness but you abuse those who offend you on the altar. You will give account

THE TRUTH YOU DIDN'T PREACH WILL COME AGAINST YOU

Matthew 23:13 But woe unto you, scribes and Pharisees, hypocrites! For ye shut up the kingdom of heaven against men: for ye neither go in yourselves, neither suffer ye them that are entering to go in.

There are instructions from Jesus that are very important for any Christian to make heaven. You left the instructions and started teaching them history.

You wasted their time, they trusted you and sat under you. Rather you led them into fables, old testament stories, miracles of Jesus, sweetness of bro Paul, mysteries of grace, how to pray your enemies to death..... Yet you missed out the key instructions from Jesus.

Souls were put in your care, to ensure they made Heaven but you only equipped them for earth and left the main issues unattended.

You didn't speak about immorality, sexual pervasion, humility, denying self, becoming poor for Jesus, meekness and many other tough teachings because you wanted a bigger crowd.

These souls unprepared will die and end up in hell but you who led them there will never escape.

YOU CONVERTED THE SOULS TO INCOME

Matthew 23:23 Woe unto you, scribes and Pharisees, hypocrites! For ye pay tithe of mint and anise and cummin, and have omitted the weightier matters of the law, judgment, mercy, and faith: these ought ye to have done, and not to leave the other undone.

You are so quick to talk about tithe and offering. You preach about it regularly but the matters that are very weighty, you have ignored.

If the way you collect tithe and offering every Sunday was the same way you teach the commandments of Jesus every Sunday, then their souls would have been enriched.

You promote pastors that bring in more money and the reason you wanted more members was because you wanted more income.

This shows that you loved money more than preparing souls for heaven. The judgment of God awaits you.

YOU NOW SELL JESUS

Matthew 26:14 Then one of the Twelve—the one called Judas Iscariot went to the chief priests 15 and asked, “What are you willing to give me if I deliver him over to you?” So they counted out for him thirty pieces of silver.

There are some prayers you will not pray unless a seed is sown. There are members that cannot see you unless they are wealthy. This is merchandising Jesus. You are making money with the name of Jesus.

There are certain fees that must be paid before you minister. Your honorarium has certain minimum limits. You are usually called to preach messages for raising money. You are just another Judas, you have sold Jesus for money.

YOU LIVE LARGE FROM MEMBERS

Matthew 23:14 Woe unto you, scribes and Pharisees, hypocrites! For ye devour widows' houses, and for a pretence make long prayer: therefore ye shall receive the greater damnation.

Some of those who donated their money, car, houses to your ministry, gave their last. They humbled themselves to give to you because they believed they are sending it to God. If you were not known with Jesus

“pastor”, they will never have brought that gift to you. They didn’t bring it to you, they brought it to the God in you.

But you didn’t deliver it to God. You sat on it. You grew fat on it. You lavished it on your lust for lush lifestyle.

To make matters worse, you now oppress the same people with it. You are now sharing things with God. They gave to God, you collected it without asking permission from God.

Jesus has already stated that because of these, your punishment will be greater.

YOU STEAL FROM CHURCH PURSE

John 12:6 He did not say this because he cared about the poor but because he was a thief; as keeper of the money bag, he used to help himself to what was put into it.

Taking things that belong to others without permission is stealing.

The reason you keep asking members to give wasn’t because you loved the Lord and want to use the money to help souls. It’s because without taking permission from God you want to do a project that will make other pastors respect you.

You force members to sacrificially give so that your ministry can be bigger.

The reason you wanted more members to give was so that your returns to the headquarters might be bigger and because of that, you will be promoted.

You never told your members this. You have just behaved like Judas, using the contributions of others to make yourself ok. The fate of Judas is also your fate.

YOU RECEIVE THE RESPECT MEANT FOR GOD

Luke 18:19 “Why do you call me good?” Jesus answered. “No one is good—except God alone.

The men who bow to you or kneel before you weren’t doing that to you, they did it because they believed that you represented God.

When Jesus comes into your services, no one rise up for Jesus but when you come unto the pulpit everyone rises for you and you allow it.

They don’t add daddy or father to the name of Jesus when they call Him, but when they call you they must add papa, daddy father and you allowed it.

Have you forgotten that God remains a jealous God?

YOUR HOME YOU HAVE LEFT UNKEMPT

Song of Solomon 1:6

Look not upon me, because I am black, because the sun hath looked upon me: my mother's children were angry with me; they made me the keeper of the vineyards; but mine own vineyard have I not kept.

You spend so much time looking after others but your family suffers. Maybe because they aren't going to give you money, rather they will spend the little you have so you neglect them.

You will give account of those nights your partner cried because of neglect and those days your children wished you were rather dead

AND MANY MORE...

This is why I cry in my heart anytime i hear that another friend of mine is now a pastor. I wish they knew what they are getting themselves into. I wish they understand that the higher you go, the greater your spiritual responsibilities and the easier to make mistakes except by grace.

BEING A PASTOR IS VERY GOOD

Please don't get me wrong. If God calls you into ministry, He will reward you and grant you the grace to cover many grounds but just as God is ready to give you grace, the devil is ready to give you disgrace on the last day.

Every Christian has demons attached to them but every pastor has legions.

The demons you prayed away from the lives of members will want to revenge.

If you are in the Lord and you are in obedience, they can't do you anything.

The problem is this.... Are you in the Lord? Are you in obedience?

Are you not still struggling with sin and iniquities yet you stand on the altar?

Have you not fallen for worldliness yet you pray for others?

Do you think the devil will just be looking at you and not strike?

He had struck so many pastors, they are now comfortable in the sins they once preached against.

The very things they will never agree to before is now what they do. It's not because they are more enlightened, it's usually because Satan has found a place to come in.

Many pastors are struggling silently but they must keep a straight face so that their members won't feel disappointed.

The devil is after you brother, the devil wants you in hell sister. The devil is the one that made you keep breaking Jesus instructions but enjoying the accolades of pastorship.

Won't it be better to resign the pastor's appointment and make it to heaven

Won't it be better to remain a local pastor and go to heaven rather than a international pastor in hell.

Won't it be better to cry out and seek God than close up and end in hell

The devil has set his gaze on sending pastors to hell but Jesus had already released Grace to take you to heaven.

To access the Jesus provisions, you must forget your high position, become humble, swallow your pride, forget your theology knowledge and follow Jesus exactly as He taught us to.

Follow Jesus as of a child.

This is a heart cry to pastors and their spouses. This matter also concerns every leader in the church.

Will your position take you to heaven or is it a ticket to hell

Take the matter to God in Prayers

God bless you
