CHAPTER ONE

HOLY MADNESS OR HORRIBLE DISGRACE

"Surely the wrath of man shall praise thee: the remainder of wrath shalt thou restrain." Ps 76: 10.

"And many of them said, He hath a devil, and is mad: why hear ye him?" John 10:20.

Jesus Christ our Lord and Saviour was called a mad man. If you are a follower of Jesus Christ one day, you will be called a mad man. Jesus Christ was seen as a possessed man. A man with traits of madness. Jesus Christ was called a man that has the devil in his mind. Apostle Paul wrote the book of Acts was also called a mad man.

"And as he thus spake for himself, Festus said with a loud voice, Paul, thou art beside thyself; much learning doth make thee mad." Acts 26:24.

There is room for holy anger and there is room for holy madness. There is vacancy in heaven for mad prophets. Heaven is in search of people who will run a holy anger and a holy race for the purpose of moving God's work forward.

HOLY ANGER

Many people will never be fulfilled with their destiny unless one day they decide to get angry in the spirit. You may not fulfill your destiny unless you get angry in your spirit refusing to remain backward.

WHAT DOES IT MEAN TO BE MAD?

Madness means to be rash. Madness means to be over enthusiastic. Madness entails being fanatical. Madness means when somebody has unusual zeal. Madness means senselessly foolish. Madness mean being irrational.

In the kingdom of heaven violence is allowed. Holy madness is allowed in heaven. When you understand the Bible properly, you will find out that all the prophets of God were called mad men. The people, who discovered the

Aeroplane, when they started, people called them mad people because what they were doing was unusual. The people, who discovered the motor car, when they started, were called irrational people. Men who made discovery of useful gadgets today were called illogical and irrational then.

The fact that you are young or old does not mean that you are not useful. There are enemies that are against young or old persons fulfilling their destinies. When you have enemies that bite without remnants then you need to get mad at them in order for them to release your destiny. The Bible says, "As from the days of John the Baptist until now the kingdom of heaven suffereth violence and the violent taketh it by force. The enemy of your soul is not ready to let go.

A FALLEN STAR

There was a boy in our primary school in those days. The boy's name is Irawo. When he was born, three witch doctors converged in the place where Irawo was born. When they saw the baby, they prostrated before the baby. Old men with grey hair were prostrating for the baby because their oracle told them that the baby would be the greatest person in their village, lineage and the wealthiest that has ever visited the generation.

The three witch doctors came to pay homage to the little baby. The witch doctors named him Irawo and they told the parents not to call the baby another name. That was how the boy got the name.

Irawo was extremely brilliant. When a question was given and we were told to answer four questions out of seven questions, Irawo would answer the four questions and answer the remaining three questions in the margin of the answer booklets given to him. He did it just to tell the teachers that he knew answers to all the questions. His lowest mark in mathematics was 100 percent.

The school I attended is called St. John's Primary School. The school was fenced round because there was quicksand at the back of the school fence. The quicksand could sink anybody. So students did not go near the fence.

One day, Irawo's head was found on the quick sand. How Irawo jumped the fence was a mystery. How he entered the quicksand nobody knew. All we knew was he got into the sand and he sank in the sand and only his head was seen and he could not be rescued. That was how Irawo sank into the quicksand and died.

I pray that God will terminate all the enemies that want your destiny to be

destroyed in the name of Jesus.

MY ORDEALS

It is better for you to fight your battle at the right time. If you do not, you are just postponing the battle to the time you will not be fit to fight the battle. I learnt my spiritual warfare when I was in class four in the secondary school. One day, I was going on my way when I heard somebody shout my name. The girl said I should help her to remove a frying pan with hot oil from the fire, that the oil had caught fire. When I got there, all of a sudden the oil with fire rose from the frying pan like a ball and changed its direction and came towards me. I could not move, all of a sudden, the oil poured on my right leg.

I screamed and cried for help. The girl who called me ran away and three elderly people came and they were arguing while my leg was roasting. At the end they poured iced water. I was at home for good two months. I was receiving medical attention. I could not wear a shoe on the injured leg.

One day, I went to school and by chance I was at the notice board checking the result of our seniors who passed out. All of a sudden, the cane master showed up and he chased everybody with cane to the classroom. I had forgotten that I had an injury on my leg. Iran and I slipped on the ground and I broke my hand. I was rushed to Orthopaedic hospital. That was how I had a roasted leg and a broken arm with P.O.P (Plaster of Paris).

One night while I was on the bed, I heard a voice telling me to pray hard or else I would be prevented from obtaining my certificate. It was on that sick bed that I learnt how to pray and how to fight a spiritual war.

Many are being pursued now because of their destiny. Many people's lives are endangered. You need to pray!

MADNESS REQUIRED

That is why it is said that if you want to win a race and if you want to achieve success in life you need to exercise a little bit of madness. If you want to do an extra-ordinary thing and you want to be a successful person in life, you need to exhibit a little bit of madness.

If you don't like the situation you are in presently, if you don't like what is happening in your family, get mad with those wrong things so that you can move forward: If you don't like the state in which you are, then you have to get mad

for a change.

Some people disagree with their present state but they are not mad with the situation. When you are mad with it, you will excel and things will begin to happen. Changes that will make people to celebrate you do not happen unless you exhibit some degree of holy madness. If there is no war, there won't be peace. There are wars, to be fought. If you do not fight you will not experience a change.

BURNING THE SHIP

I read a challenging story about the Roman soldiers. There was a time the whole world was under the Roman Empire. When the Roman soldiers got to Britain in the United Kingdom, the British soldiers knew that the Romans were coming by sea. The British soldiers waited for the Romans at the beach. The Roman soldiers got down from the boat and to the amazement of the British soldiers the Romans set their own boat on fire. This means that "Forward ever backward never". The mad action of the Roman Army gave them victory.

To be mad is to exhibit certain traits of abnormality. Madness is behaving in a way that is foolish and over enthusiastic. When I finished from the University of Lagos, I had first class degree. My uncle used to come to my place to tell me that he was afraid enemies might kill me because nobody has ever had a first class degree in my family. He would advise that I should fortify myself in a fetish way. He was always coming to disturb me. So one day, I decided to follow him to where he wanted to fortify me. I went with my Bible. It was a wretched boy's quarters in the same house. When we entered the wretched house, I saw a man sleeping on a bed with just a mat and no mattress.

The man was eating boiled yam and palm oil. My uncle told the man that he had brought his brother. I prayed in my heart that God should allow my uncle to go out for two minutes. As God would have it, my uncle forgot something in the car. Immediately he left, I told the man that he was wasting his time that why didn't he fortify himself? I told the man to give his life to Jesus Christ; I brought out my Bible and started preaching to him. At that point my uncle came and I quickly hid my Bible. The man told my uncle to take me away and we should never come back to him again.

When you begin to exhibit holy madness, God will ask you to do the abnormal and the unthinkable. But it is a process towards moving you forward.

"MAD AMOS"

Many years ago, the church I attended was a very poor church. Everybody was so poor that nobody had a car. There was this brother called Amos, he was an Igbo man and in that church, Yoruba was the language used. They don't speak in English. So I wondered what an Igbo man was looking for in that church. But he was always asking for the interpretation. Once the prayer point was being said, Amos will pray like never before.

One day, brother Amos drove a Mercedes Benz into the premises of the church. He came to give a testimony that when he got home God revealed to him the evil agents that took his wealth away would be disgraced. God told him to check under his pillow and he saw a dead red Agama lizard. From that day, he was blessed. It was only Amos that got 'mad' in the whole church and other members were still praying in their own way.

Your angels of blessings may be waiting for you to display a measure of madness before your blessing comes to you. You need to get mad in the spirit, so that God's purpose in your life can be manifested. It is either you exhibit holy madness or you are disgraced.

THE HOLY SCREAM

I was at the University of Ibadan for a crusade and a professor came to me and said that he imported some goods but the ship carrying the goods had disappeared. So I told him that we had to pray. The professor called my attention to one person who was praying in tongues and complained that the language does not subject himself to linguistic analysis. I told him that the language of the Holy Spirit cannot be analysed linguistically. I told the professor to pray against the rag of poverty which the enemy had kept in his hands. I gave the professor the prayer point. Instead of the professor to pray very hard he did not. Later, he increased his tempo.

All of a sudden, the professor began to scream out the prayer point. I asked him what happened. He said as he was praying he saw an angel looking at him with disdain. He also saw a bundle of rags in his hands and immediately the bundle of rags became two. He asked the angel to remove them but the angel refused and told him that until he prayed very hard he would not take it. That was why he screamed and the bundles of rags were taken away from his hands when he prayed very hard. The professor learnt the principle of holy madness.

HOLY MADNESS DEFINED

When you exhibit holy madness it means that:

1. *You are expecting unusual things and you believe abnormal things.*

A sister had been complaining that whenever she got her salary she did not know how the salary disappeared. So she attended one of the prophetic actions classes. When she was going home, she bought a cutlass. When she got home she prayed with the cutlass that any hand that was taking her money mysteriously should be cut off. She did this until she fell asleep. The next morning they called her from the village that an old woman living close to their house was injured and her hands were mysteriously cut off.

2. *Holy madness will take the risk and damn the consequences.*

3. *Holy madness will lead to strange and unbelievable things.*

Jesus spoke to trees, water, wind and storms. He spoke to them as if they were human beings.

4. *Holy Madness is immune to mockery.*

5. *Holy madness attacks what people do not see.*

6. *Holy madness makes unbelievable boldness possible.*

7. *Holy madness exhibits righteous anger.*

Anger is a blessing when you display holy anger which destroys your enemies. Anger is a blessing when it dissolves the mockery of men. Anger is a blessing when you get angry to produce a positive change. Anger is a blessing when you use it to cleanse the temple of your life. Anger is a blessing when it dissolves the mockery of men. Anger is a blessing when you get angry to produce a positive change. Anger is a blessing when you use it to cleanse the temple of your life. Anger is a blessing when you use it to resist temptation.

One of the greatest men of God, who ever lived, Smith Wigglesworth, was invited to a burial ceremony. At the lying-in-state, everybody was going up and down looking at the dead body but when Wigglesworth got to the coffin, he brought the man out and he commanded life into the man and the man became alive. Immediately the funeral became a revival programme because somebody exhibited holy madness.

THE ENEMIES

You need to exhibit holy madness against your enemies. Your enemies are:

1. Any power, spirit, force or personality working against the fulfilment of your destiny.
2. Every power sabotaging the assignment of God for your life.
3. Any power that hates your desire to increase or to improve.
4. Any power that strengthens those things that God wants to remove from your life.
5. Any power increasing doubts and killing your faith.
6. The evil foundation laid for you by your ancestors.
7. The snare that is prepared to catch you.

Satan is your eternal enemy and you need holy anger to conquer him from destroying your life.

STEPS TO HOLY MADNESS

What do you need to do to display holy madness.

1. *Surrender your life Jesus Christ.*

Repent from your evil ways and surrender all things to God.

2. *Repent from every known sins.*

If you don't repent from your sins, you can never be violent spiritually.

3. *Exhibit holy anger.*

4. *Engage yourself in violent prayer.*

5. *Exhibit violent faith.*

6. *Exhibit violent desperation.*

If you can do all these things then you will get your life back on track again.

I had a friend whose name is Aremu. This man did all available examinations but he failed woefully. The only examination he did not fail was the examination he did not partake in. He did external examinations for six consecutive years. He failed all the subjects. Before he did Nigerian examinations he had done British examinations and he got a mark lower than 'F9'. He was given an 'H' which mean hopeless. It got so bad that even when Aremu did no take the examination WAEC still sent him a result that he failed woefully.

HOLY WAR

Aremu attended a prayer meeting "where the violent taketh it by force" pattern was taught. When he got home, he prayed violently and God opened his eyes. He saw his books on the table and the sixth wife of his father was sitting on them. The next morning he packed his bags and Bible and travelled back to his village. When he arrived, he did not greet anyone and he did not answer the people who greeted him either. Even his mother could not look at his face.

At 12 Midnight, Aremu took his Bible and started praying till 6:00 am. Nobody could come out. When he woke up in the morning, he told the six wives that he was going back to Lagos that if he failed any examination again, he was coming back and that time it will be worse.

Since that day, he never failed any examination again. He succeeded because he went violently to confront his enemies. He displayed holy madness for his rightful destiny. You need to get mad in your spirit. If you find out that you are being tormented in the dream, you need to go violent against the enemies tormenting you. You must display holy madness or else you will be disgraced by the enemies. Holy madness is the panacea as far as victory over stubborn enemies is concerned.

PRAYER POINTS

1. Power designed to waste, you are a liar, die, in the name of Jesus
2. Domestic witchcraft, you are a liar, die, in the name of Jesus.
3. Patterns of sadness in my family line, die, in the name of Jesus.
4. Powers pulling my favour, die, in the name of Jesus.
5. Serpents and scorpions assigned to bite my life, die, in the name of Jesus.

CHAPTER TWO

THE BIG REHEARSAL

Then the word of the LORD came unto me, saying, Before I formed thee in the belly I knew thee; and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations. Then said I, Ah, Lard GOD! behold, I cannot speak: for I am a child. But the LORD said unto me, Say not, I am a child: for thou shalt go to all that I shall send thee, and whatsoever I command thee thou shalt speak. Be not afraid of their faces: for I am with thee to deliver thee, saith the LORD. Then the LORD put forth his hand, and touched my mouth. And the LORD said unto me, Behold, I have put my words in thy mouth. See, I have this day set thee over the nations and over the kingdoms, to root out, and to pull down, and to destroy, and to throw down, to build, and to plant. Jeremiah 1:4-10.

The above Bible passage makes it clear that God knew you before you were born. He knew you before and after your mother conceived you. People will call you great names after you have become great but God made you great before you were great. What matters is what God has made you to be from the beginning.

Every man and woman of destiny who is assigned to be great must pass through the school of God's preparation. Many people desire to function powerfully. They desire to do well but they are not really ready to pay the price of being ready for the task. Only few people are willing to pay the price of being ready for the task ahead of them. Men and women of destiny in the Bible were prepared by God before they could function well.

THE PERIOD

The period of preparation varies from person to person. Each men and women of the Bible were trained differently. For each man and woman of destiny God has prepared a ready-made school for each person. He has prepared the school depending on the kind of work He wants you to do or what He wants you to fulfill. The intensity of divine dealing with your life will now depend on the programme He has for your life.

To prepare is to make ready. To prepare is to make something suitable. To prepare is to train for a specific task To prepare is to rehearse ahead of time. Preparation precedes manifestation. When Noah was building the ark there was no rain but he prepared. It took God forty years to prepare Moses for the task He has for him. It took God twenty-five years to prepare the heart of Abraham for Isaac.

It took Joseph thirteen years of preparation before he became the prime minister. It took Joshua forty years before he began to lead Israel. It took Samuel thirty years before he began to manifest. It took David sixteen years of preparation before he became the king. It took our Lord Jesus Christ thirty years of preparation before He began his ministry. It took Paul fourteen years before he could start anything.

YEARS OF PREPARATION

Anybody who has produced anything worthwhile must have put in long years of preparation before achieving the goal. God's dealing takes time. He has to fortify you before He commits great things into your hands. It is, therefore, a crime when a man who is not ready when his time comes.

It is your private preparation that will lead to public manifestation. The more successful you are in the school of divine preparation the more impact you are going to make. When you are a failure in the school of preparation, you are likely to be a failure in the field.

Many people are grappling with the rehearsal now. A lot of people are faced with all kinds of problems. What you are calling a problem is just a rehearsal and not a destination. Before David could manifest he rehearsed in the field with his sheep. He fought with the lions and bears. He fought in the wilderness before he could face Goliath. David was already a small boy of warfare by the time he got to the war front and defeated Goliath. He did not wake up one day to fight Goliath. David was in the school of divine preparation in the wilderness.

DIFFERENT TENOR

God prepared Moses with rearing cattle. For him to understand how to live with large groups of people, he started with cattle. So, he understood the different kinds of sheep he was rearing. Moses had forty years of rehearsal in the back side of the desert. Peter was prepared with his fishing profession. He had

imbibed the ruggedness and patience of a fisherman. The hard work of a fisherman was his second nature. When Jesus said Peter, "I will make you a fisher of men", he was telling him something he knew.

Many people are not ready to kill their Goliath because they are not rehearsing. They are failing in the school of rehearsal. Herein lies a great problem. In the divine school of preparation until you have passed a subject, you will not receive a honorary pass. If in the school of divine rehearsal, God is teaching you how to padlock your mouth and keep it shut, but you have not learnt any lesson you will keep getting you into trouble until you learn lessons. In your school of divine preparation, God might want to cut off from you all the spirit and manifestations of anger, if you don't pass that school your anger will keep getting you into a mess. A lot of people are grappling with the rehearsal now and they think it is a problem. They ought to pick up the lessons the Lord wants them to learn.

HOW TO SUCCEED

Do you want to pass your rehearsals? Then

1. *You have to discover the purpose of God for your life.*

You must know why He has sent you here.

2. *Develop a regular and consistent life of prayers.*

3. *You must read and study harder.*

4. *You must learn from every mistake and experience of life.*

You must learn from your mistake. Only a fool does not learn from his mistakes. They say a sign of insanity is to continue to do the same thing the same way but expect different results. It is abnormal to increase your speed when you have missed the road.

5. *Don't excuse the defect in your character, deal with them.*

Deal with your weaknesses and defects of character. This means that you must work on yourself every day. You must not be satisfied with the average. You must move with those who will increase you and move you into a higher realm.

You must live with those who can lift you up. But if God has promised to take you to the highest mountain but you are satisfied with the valley, you will remain at the valley. God will never give you more than you can adequately handle. How you perform at the rehearsal will determine your level of progress.

PRAYER POINTS

1. Anything that is planted in my life to demote my destiny you are a liar, die, in the name of Jesus.
2. Power of failure, loose your hold upon my life, in the name of Jesus.
3. I will finish this year stronger than I started, in the name of Jesus.

CHAPTER THREE

FROM STRENGTH TO STRENGTH

God has a plan for you. It is to make you to go from strength to strength.

They go from strength to strength, every one of them in Zion appeareth before God. Psalm 84:7.

SALIENT POINTS

Let these words be registered in your mind.

1. If you want to survive in this present wicked world, you need to move to the higher ground of power.

If you must survive in your life, family and calling, you ought to possess a greater level of power, and anointing.

2. There is a satanic revival of strange powers. Many are acquiring strange powers in order to satisfy their own personal and selfish ends. The works of these wicked entities are unimaginable.

It is not surprising the Bible says

Finally, my brethren, be strong in the Lord, and in the power of his might. Ephesians 6:10

The Scripture admonishes us to be strong in the Lord. It is not admonishing us to be strong in malice, fighting, fornication, or lying, but to be strong in the Lord, and in the power of His might.

There are some irrelevancies, when considering the power of God. Human shapes and sizes, academic positions, the positions occupied in the society are immaterial to the power of God. Oratory ability, the loudness or pitch of human voice, does not matter.

A CHAMPION

The power of God residents in the inner man of believers. What really matters to God, is what resident in the inner man. The devil is much interested, in the power content of your inner man. That is why, people with satanic eyes can look

at a believer and access the strength of such a believer. They could see the power deposited in a believer's life.

Brethren should not pretend to be champions, when in actual fact, they are weaklings. The devil is always around to test the spiritual ability of believers. When this is done, it would show, if whether we are champions or weaklings.

If as a believer, you have never consciously applied the word of God to satanic attack, or you have never quoted the Scriptures against spiritual attacks, your inner man is weak. Many people complain that they hate spirit husbands and wives, but cannot do anything against them. Quoting of the Scriptures against these spirits when you are weak internally will not yield any result.

THE POWER CONTENT

Several people, after demonstrating their spiritual weakness against these spirits in their dream, wake up, feeling worried and angry then they start praying. But, how beautiful would it have been, if they are strong. The truth of the matter is that the power content of people is low. Do you find yourself pursued in the dream, in such a way that you were sweating, by the time you woke up? If so, then you are spiritually weak.

A sister learnt a great lesson, many years ago. She woke up one morning, and found a short creature by her bedside. This short creature, called all the five names, which the sister was bearing, including the names she was not known with. The creature said, "Stand up" she woke up, and carefully looked at the creature. She discovered that the creature was holding a big club in his hand. The sister said, "In the name of Jesus, I command you to use the club on yourself, while I get my Bible." The creature started to beat itself, according to the instruction which the sister gave.

If the power content of the sister was low, the next day, people would have come to mourn the sister saying, "Unfortunately this sister has passed on to glory." The believers would then gather together to sing heavenly songs, for the departed sister. Such songs as, "We shall gather at the river, When we all get to heaven what a day of rejoicing shall it be, etc." The believers would not have known that the power content of the sister was low, and that was why the devil killed her.

Your power content determines how far you will go. When your level is low, then you become a spiritual dwarf. You cannot resist pressure. You will not be

able to resist the enemy. You cannot resist the weakness the devil brings on people.

REAL OR FAKE

There are different kinds of pastors in the House of God. There are professional pastors. There are career pastors. There are textbooks pastors. Then, there are "called" pastors. These kinds of pastors can easily be differentiated. Those who are pastors for their daily sustenance are different from those, who are pastors, because they are called to be pastors.

A pastor was sent to another church. On getting there, he took control over the church. But there was a big embarrassing tree at the back of the church. Nobody ever thought of cutting the tree. Sometimes, whenever the service was going on, the idol worshippers would gather under the tree at the back of the church and they would continue to sacrifice to their gods there.

The newly posted pastor got angry and ordered for the cutting down of the tree. But, it was surprising that a loud scream was heard and a blood-like fluid was coming out of the tree, instead of the sap. The pastor then went inside the Church. But the tree grew again, before the service was over that same day! But by the second day, the pastor was dead.

The second pastor was posted to take over the church after the death of the first pastor. The pastor, having had the full knowledge of what killed his predecessor, refused to have anything to do with the tree, at the back of church, until he, too, was posted away from that local assembly.

Then came the third pastor, who started to speak destruction to the evil tree, from the first day he got to the church. One day, the pastor cut the tree down and as usual blood was coming out of the tree, he confronted it with the anointing oil, and there was a loud scream. The chief priest died that same day, and through this, the work of God expanded.

THE YARDSTICK

The spiritual content of your inner man is very, very important. It is that power within you that determines your spiritual success. If there is low power content in the inner man, such a person will be very weak at the altar of prayer. If I give opportunity to everybody in the church to continue praying for the next twelve hours, some will go away, some will grumble, saying, "These people want to kill

someone here with prayers," while very few people will carry on until the end. Why the differences in these responses? The inner spiritual strength of these people varies.

When your power content is low, then your prayer power will be low. When told to go to prayer meetings, you will not be happy. When long prayer session is going on, you will be sad.

Many years ago, I was in a particular church. Where, I was one of the choir members. We had a particular choir master, who was fond of saying, "Let somebody lead us in prayer, and the person must ensure that the prayer is very, very short." We were praying our short prayers. But one day, we started to fight ourselves. At the end, the "short prayers" led people threw books at others. There was confusion and pandemonium. But, that was where our short prayers took us to.

CHAPTER FOUR

FACING CHALLENGES

You cannot afford to be weak in this present generation, considering what is going on now and the wicked activities of the devil. You cannot afford to remain at an average level, in your power content. Immediately you are a threat to the devil, then you are qualified to be attacked. The moment the enemy sees your marriage as a danger and threat to his kingdom, and you refuse to rise up against the devil, then there will be trouble.

Some years back in South Africa, the witches gathered themselves together, and fasted for two hundred and one days against Christian marriages. Many of the Christian leaders were aware of the witchcraft prayer meeting. They just took it with levity, and counted it as part of the normal works of the devil. But within a month the evil prayer meeting was held, marriages of Christians began to crash, until some intercessors gathered themselves to counter, the evil meeting. It was then there was respite.

Lay your hands on your chest in desperation like a wounded lion and pray this prayer: 'Thou satanic prayer against the power of God in my life, die, in the name of Jesus.'

TRUE LIFE CONFRONTATION

I have a friend, whom I can refer to as my father in the Lord. The man is far older than me, even in age. The man shared something with me.

He said, he went to visit one of his pastors, at a particular place. As he got to the place in his car, he was expecting to see members of the church including his pastor coming to welcome him. But to his greatest surprise, he could not see any of them coming around. But what he saw was that the front of the church was filed with witch doctors, fetish priests, lodge members in their regalia and people with terrible satanic weapons, in their hands. Some of the people put on masquerades attires.

These satanic entities came to the old pastor and said, "Sir, we have been waiting for your arrival. Are you the General Overseer?" He said, "Yes, by the

grace of God, I am the founder of this church." They said, "Are you the one that brought the present pastor here to pastor this church?" the old pastor said, "Yes." These satanic men then said, "Take your dog away from this place, because since you brought him here, he had been a trouble maker in this place."

The old pastor asked, "What is the actual problem?" they said, "Since you sent this man to this place, he has converted nearly all the young men that used to participate in masquerade festivals." They continued, "Since he came here, all witchdoctors have died in poverty, because there are no longer customers for them. And to worsen the case, the man would wake up in the night and start to move round people's houses pointing to their houses while speaking one strange language, and as he spoke that strange language, we would start feeling uncomfortable. Therefore, take him away from here."

This old pastor said he pinched himself so as to be sure whether it was a dream. He had face to face confrontation with evil powers.

THE OLD FASHIONED GOSPEL

When your power content is high, you would not be running from your enemy, but they will be making a plea unto you. And anytime they see you, they will panic. But unfortunately, this is not so for many people.

What is power? Spiritual power is the, ability to overcome the negative power that is working contrary to you. What is spiritual power? It is the ability to control.

When I was born again, and got baptized in the Holy Spirit, I faced tough prayer challenges. Anyone, who was baptized in the Holy Ghost those days, was encouraged to pray in tongues for, at least, two hours every day.

I challenge you, too, to pray in tongues for at least, thirty minutes every day, you will then marvel how God's power will be lavished on you. If you can decided to wake up everyday between 3.00 a.m. and 3.30 a.m. to pray everyday, for one month, before the end of that month, you will become an entirely new person.

THE BENEFITS

I discovered that, when I was practising the speaking of tongues in prayer for about two hours, my lecturers were running helter skelter to satisfy me. Whenever I went to buy food, the seller would sell food more than my money's

worth. If I entered into a bus, most of the time one person or the other would pay my transport fare. These are the things that could happen to you whenever your power content moves up.

Many of us do not know that we miss a lot of things by living powerless lives. Many are yet to fully know that "Ice cream Christianity" and "Kindergarten prayers" cannot take us anywhere with God. Many are yet to understand, that there is no gentle method of arresting evil. It is very unfortunate that due to our powerlessness, the judge is becoming the accused. The person, who is supposed to issue words of authority, is now getting arrested.

THE PERIL OF POWERLESSNESS

If the kind of power God has destined for His children are in constant use by His children, they would become a terror, in the kingdom of darkness. And, when you speak, your words would carry weight. But, unfortunately, our lack of power in this generation has become rampant. We have concentrated our efforts on hair attachments, make-ups and wearing clothes that expose nakedness. We concentrate our efforts in wrong places. That is exactly what the enemy wants. Because we focus our attention in a wrong direction, several evil things have started coming forth in our midst.

Sisters, who are supposed to be prophetesses of the Lord, cannot even hear a thing from God. There are some, whom God wants to be discussing with, but He has refused talking to them, because of the idol of jewelry. Men are coming to God's house, but they lack God's power. The reason for lack of power is that we are wrongly focussed. If you are powerless, then you may become minced meat in the mouth of powers of darkness.

SHEEP DISGRACE

If you do not want to be wasted, then you must concentrate on the power content of your inner man. It is an insult for Pentecostal witchcraft, magicians, and satanic agents to start to manipulate you. It is an assault on God, that you can be arrested, through incantations and enchantments.

A woman came for prayers many years ago. This woman was a celebrity. Somebody entered into her shop, and demanded for how much she had sold. She told him, and the person demanded for the money, and she gave him. The person again asked for the most expensive thing she had in the shop. She told him and

he said, she should bring it too and she did. The person told the madam further, "I love this attire, how much did you buy it?" She told him. After that the person said, "Madam I would not like to disgrace you, but you can just take the wrapper, while you give me the blouse." The woman agreed, and gave him her blouse. Then, he said, "Bye-bye," and, he walked away.

When her eyes got cleared, she started screaming, and started to read Psalm 23. But how come that the shepherd ran away, when a dubious person met her in the shop? Then, I said, "Madam do you want to change your focus?" I told her "the most important, is how powerful, the inner man is. No matter the way the flesh is polished, one day somebody will say, ashes for ashes, dust for dust," and that is the truth. Are you there, buying special creams for your body, while the enemy is still pursuing you in the dream? You must retrace your steps.

It is compulsory for us to have adequate power, deposited in the inner man. We ought to be going from strength to strength, not from strength to weakness. Therefore, what is needed these days is power from above, as opposed to powerlessness.

POWER ENCOUNTER

Oh that God will bless this country, with just five Elijahs. If there are five Elijahs in this country, and there would be perfect peace in the nation. If a community decides to fight, and one of such Elijahs says, "You must not fight." If the prophet should say "Because you have insisted that you must fight, then let fire come down." By that act, the evil intentions of people shall be brought to a halt.

When power faces power, then the weaker power will pack up. When power faces power, one power will always supersede. One power must give way for the other. The Bible says, evil men and seducers shall wax stronger and stronger.

If you take a cursory look at the Acts 19, you will discover that the people of Ephesus were keenly interested in witchcraft. These people of Ephesus were very much like the people of Nigeria today.

Young men are using demonic powder, to attract ladies unto themselves. Some people bury something in the cemetery for seven days, after which they will take the thing back, and put it in their pocket. People kidnap others, because they want money. Some take a bath, with blood everyday. There are people, who walk to market places, where there is crowd to test juju on people. All kinds of things

are happening.

There are satanic agents, parading themselves all over the place. These were the occurrence in the biblical Ephesus, until the power of God arrested the situation.

CHAPTER FIVE

LEVELS OF POWER

There are four power levels in the spirit, or four energy levels in the spirit, and everybody belongs to one of these power levels. It is left for you to decide, which of the power levels, you desire.

1. Delegated spiritual authority

This power is not resident in the operator. It is just delegated. This power belongs to another person, and it is usually given, because of association with the owner of such power. As soon as a person is born again, certain amount of power is deposited into his spirit. He begins to tread upon serpents and scorpions, and they will not harm him.

Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you. Luke 10:19.

Every believer has this delegated authority at salvation. Then, delegated spiritual authority is the lowest spiritual energy level, in the kingdom. Authority is different from power. If a policeman dressed in uniform stood at the road junction, saw a trailer coming, and raises his hand for the trailer to stop, the driver will stop the long vehicle, based on the authority invested on police uniform. Such person dressed in police uniform, could even ask the driver to come down, and he would do exactly that because of the authority that government has invested on the police force. The driver may be more muscular than the police man such that he can break the police man into pieces, if allowed to fight one on one. But, the driver will never do so, because of invested authority on the police.

If the police officer has retired from service, and has dropped his uniform, and is moving in civilian attires. If on a particular day, he puts on a flowing garment (Agbada), and steps at the junction to stop a trailer and to ask the driver to come down, people will ask whether the man is mad.

The power, which the police man has, belongs to the government and is not his own. The government bestowed power to him to punish anybody who disobeys

the law. If the policeman asked a vehicle to stop, but refused, then the owner of the authority invested on the police, has the power to punish the offender.

And the devil said unto him, If thou be the Son of God, command this stone that it be made bread. Luke 4:3.

There is difference between authority and power. The day you backslide like the policeman, who put down his uniform, because he was retired, or turn back on God, that authority would be taken away. A vast majority of believers operate on this level. There is a need to move forward.

2. The Power of The Holy Spirit

The second level of power or energy level, is what is called the power of the Holy Spirit.

But ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in Jerusalem, and in all Judaea, and in Samaria, and unto the uttermost part of the earth. Acts 1:8.

When you get baptized in the Holy Ghost, then you have got something higher than the delegated authority. Any Christian, who is not filled with the Holy Ghost, is missing a lot. If you cannot pray in tongues, then the enemy will overpower you. You must be filled with the power of the Holy Ghost, with the evidence of speaking in tongues. The Bible says: "These signs shall follow them that believe, in my name they shall cast out devils; they shall speak with new tongues ..." That sign is for you, too.

If you have not received the baptism of the Holy Spirit, your power remains as delegated authority. That first level of power is not enough to handle African household witchcraft, let alone ancestral power. When anybody is praying in the spirit, and he is speaking in tongues, then he is charging his batteries.

For he that speaketh in an unknown tongue speaketh not unto men, but unto God: for no man understandeth him; howbeit in the spirit he speaketh mysteries. 1 Corinthians 14:2.

When you are praying in tongues, then you are speaking mystery.

I thank my God, I speak with tongues more than ye all: 1 Corinthians 14:18

You have resident spiritual power, by consistently praying in tongues. The enemy will waste any person who is not baptized in the Holy Ghost.

3. Accumulated Spiritual Energy

The third level of spiritual power is called accumulated spiritual energy.

This is as a result of consistent and prolonged prayer and fasting. I am not talking of fasting, that is not meaningful. God would want us to have a fasted life. God is happy with the fasted lifestyle, rather than, the almighty formula we are involved in. Some are still struggling with one day fasting, while God would have us go through more than three days fasting, without food day and night. When there is no power, disappointment, frustration will set in.

There was a man, many years ago, who- used to boast saying, "I am a powerful pastor." He would always trouble the General Overseer, saying, "Send me out, I want to demonstrate power?" he was then posted to a particular occult village. As he was in the village, one day, he went to ease himself in another man's farm. As he was there, the farmer saw him, took a cutlass and sneaked to his back and with the flattened part of the cutlass, he slapped his back. The farmer asked, "Why are you defecating in my farm." When this man stood up, he told the farmer, "You beat up a man of God. In the next seven days you will die." The farmer was really afraid. After seven days, when the farmer did not die, he went back to the pastor and said, "Man of God, I am still alive." Here was a man, who was boasting, "I want to explode!" but he had no power. If it was another pastor with higher level of anointing, his pronouncement would have come to pass.

If you want to be special for God, with the urge of helping others, then the first energy level of power is not enough. When the mountain refuses to move and the powers of the devil are showing resistance, they are indication that the higher energy level is needed. But there is a price to pay which once paid, nothing shall be impossible. Elijah fasted for forty days, Moses fasted for forty days. Jesus himself fasted for forty days. They had accumulated spiritual energy.

4. Dominion Level

The fourth level, which is in the last power level, is called Dominion. This is the kind of power God gave to man originally in the Garden of Eden. Joshua exercised power when he asked the sun to stand still. Joshua did not get there in one day. He had been passing through different kind of energy level, until he reached the highest level of dominion. Moses talked to the earth and the earth obeyed instantly. When you are a man of dominion, then you will be bombarded with signs and wonders.

What shall we do to get to this level? This could be summarized with 4 Ds.

(i) ***Desire*** - Do you have strong desire to be strong?

(ii) ***Decision*** - Have you decided that you will be strong?

(iii) ***Determination*** - Are you determined that at whatever cost you will reach the highest level of power?

(iv) ***Discipline*** - No power without discipline.

When I was in the University of Lagos several years ago, I was young then. Most of the older undergraduates decided to pass at all costs, These older people decided to have a degree. They put in their best to succeed. One night, I was in the classroom in the night, reading, when I saw an old man struggling to pass. He did something very strange and difficult for him to keep awake. He brought a bucket of water, and dropped some ice blocks inside, and put his legs inside, and was reading. That is what we call discipline.

Things cannot be going down in your life, when your power is increasing. When the power level is higher, then you can make circumstances to change, Jesus spoke to a tree, he spoke to the wind, he spoke to the dead bodies, he spoke to adverse situations, and they all obeyed him, because He possessed the highest spiritual level of power. The Bible says, God created all things, and put them under mankind. You must rediscover this level of dominion today.

PRAYER POINTS

1. Thou power of God, incubate my life, in the name of Jesus.
2. Power that cannot be insulted by the power of darkness, fall upon my life, in the name of Jesus.
3. My words, be charged with the fire of God, in the name of Jesus.
4. Fire of God, come upon my life, in the name of Jesus.
5. Dominion power, come upon my life, in the name of Jesus.

CHAPTER SIX

WANTED, VIOLENT WARRIORS

And from the days of John the Baptist until now the kingdom of heaven suffereth violence, and the violent take it by force. Matthew 11:12

The Bible passage above has a lot of meanings. There are lots of lessons to learn from the passage.

1. In the kingdom of Heaven violence is allowed.

In the kingdom of God there is vacancy for violent warriors. The world has become a mad place and God is looking for people who will exhibit holy madness to arrest the evil tide. God is not just looking for people who will run away from the devil. He is not looking for those who will avoid the enemy, but those who will fight the enemy. When you have enemies that bite without remnant, then you have to get mad at those enemies. Violence is required to manifest holy madness.

2. In the kingdom of heaven there is no room for spiritual gentlemen.

The Bible says "The violent taketh it by force" Generally, gentle men and women don't take anything by force. They will beg in order to have what they deserve.

3. The world is not a playground.

Whether you like it or not, the world is not a playground. It is a serious battle field. It is good when you pray for promotion and God places you at the top but once you are there, people who do not want you there will fight. Whatever positions you are, there are some enemies who want to pull you down. Unfortunately, many of these facts are not taught in churches and many get into trouble. Some get back to God when the enemy has wounded them fatally. If you do not want to fight any battle but be aware of the fact that the enemy will fight. The enemy knows you and nothing will stop them from attacking you.

4. The only language the enemy understands is violence.

The enemy does not understand any language except violence. There is no diplomacy involved when it comes to fighting the enemy. When we talk about

violence, it means exceptionally great concentrations. When we say prayer warrior it means the person is able to pick a prayer point and concentrate on it until he gets results. When we say violence, we mean power, a damaging force, an intense or severe action, a rage, fierceness, madness. This was the kind of violence blind Bartimaeus put up and he refused to die a blind man. This same violence is the type blind Bartimaeus put up and he refused to be a permanent beggar. I pray that all your blessings that are caged shall arise and locate you in the name of Jesus.

5. *Your enemy is a stubborn fighter.*

Your enemy will make sure that what he would yield must be by force. If you insist on victory over your enemy, your enemy will keep on holding on to you. Your enemy is a stubborn fighter.

6. *Heaven has no aspect for civilians.*

The Bible says; the Lord is a man of war, the Lord is His name.

7. *If the enemy has stolen from you, you can only recover the items by force.*

8. *When fighting dark powers there is no decency.*

The enemy does not observe any rule. The enemy fights without any recourse to decency. He hits below the belt.

9. *There can be no victory if you do not attack the enemy.*

If you take no action about your problem, you will remain as you are. That is why it is said that if you must win a race, or emerge a winner a little bit of madness is necessary.

10. *It is possible for you to get a honorary degree but you cannot obtain an honorary victory.*

If you fight any battle, you will not get an honorary victory.

11. *When you get mad at your present stage changes will begin to happen.*

You need holy madness to act fast on your problems so that you can experience victory.

12. *Sometimes when there is no war, there is no peace.*

But when there is war and the enemy is defeated, there will be peace.

13. *To possess the kingdom, you must be vigorous and forceful.*

14. *You cannot sleep your way to victory.*

You have to be awake for you to overcome the enemy. The kingdom is not for weaklings. The kingdom is not for waverers and compromisers. The kingdom is for strong men and women.

15. *Everyone has a battle to fight.*

Everyone must fight his battle. You have been ordered to fight and you must obey. You have been ordered to go and execute judgment upon your enemy and you must obey. You have been ordered to set the captives free: you must obey. You have been ordered to recover what the enemy has stolen; and you must obey. You have been ordered by God to go and uncover and destroy all the satanic operations and you must obey. You have been commanded to tell the enemy to flee; you must obey. The Bible says; the Lord your God is with you as a mighty and terrible one. All those that gathered against you shall flee before your face. If they come against you in one way, they shall flee in seven ways. The Psalmist says, I have pursued my enemies and I will not turn back until they are all destroyed.

Violent prayers bring breakthroughs. Violent prayers violate the laws of gravity breakthrough into the heavens. Violent prayers push aside all formalities and rituals.

VIOLENT WARRIORS

I was at a wedding engagement some years ago and it was very interesting. While the wedding engagement was going on the father-in-law who was a violent warrior stood up and prayed "By the thunder and fire of Elijah let any agent of darkness in this gathering begin to have problems and receive the arrow of pepper. Immediately, three women opened their mouths and started confessing that they were present at the gathering to perpetrate evil.

Violent prayer warriors are queer. Violent prayers may sound very offensive in some circles. Violent prayers release spiritual powers. In violent prayers, decency is not allowed because the enemy is ready to bite without remnants. Human beings may not understand but evil spirits know what they are doing. Jesus commanded some demons to get out but these demons knew what they were doing. The demons asked Jesus if he had come to punish them before their time. The demons knew that their time of punishment is yet to come.

Violent prayers can capture the enemies at their gate. If you don't pray against

the enemy, then the enemy will continue to steal things precious from your life. The war that had been declared in the scriptures must be ignited in your heart. It is not a time of peace or surrender. It is a time to fight. Violent prayers are pounding prayers. Violent prayers shake the gates of hell.

God is looking for violent warriors. It is time for you to wake up the soldiers in you. The enemy of your life does not want to see the fulfilment of your destiny. The enemy will not watch you succeed without a fight.

THIS IS WAR!

Whether you like it or not, the enemy has declared war against you. The enemy is not worried that you have received promises from God. He is not worried that you have seen visions. What the enemy is against is the fulfilment of your destiny. The enemy has vowed to hinder your fulfilment. The enemy will not fight your prophecy, he will not fight your God given destiny. What the enemy is waiting for is your time of fulfilment.

You need to fill your mouth today with spiritual arrows and begin to fight against enemies of your advancement. If you do not like where you are but do nothing there will be no change.

"From the day of John the Baptist until now the kingdom of heaven suffereth violence and the violent taketh it by force".

If you are a student of the Bible, you will discover that all the men of God in the Bible are spiritually violent. Moses went to Pharaoh and said "Let my people go". Moses began to throw arrows into Egypt. David faced Goliath and he overcame Goliath in the name of the God of Israel whom Goliath defiled. Elijah brought down fire and commanded the fire to burn all the prophets of Baal. Prophet Amos dealt with the high priests. Paul confronted Bar Jesus immediately, darkness and mist fell upon him and he went about seeking for help.

You need to be filled with the Holy Ghost fire in order to destroy the enemy. You need to know what God wants to do with your life.

WHEN DO YOU NEED TO BE VIOLENT?

1. You must become violent when people say that you should forsake God.
2. You must become violent when people say you must forsake holiness.

3. You will become violent when you are challenged by evil idols of your father's household.
4. You become violent when people make jest of you.
5. You become violent when people who want to mock you are more in number than those who want to help you.
6. You must become violent when people are already concluding that you are finished.
7. You become violent when your enemies are mocking you.
8. You become violent when your enemies are jubilating about your conditions.
9. You become violent when your sole supporter is gone.
10. You become violent when you notice that when you were blessing somebody you were thrown out of the place.
11. You become violent when the enemy broadcasts your name for evil and is circulating your names to various fetish priests.
12. You become violent when the enemy has issued a death sentence against you.
13. You become violent when a satanic audience is already waiting for your downfall.
14. You become violent when the viper of darkness has attached itself to your life.
15. You become violent when smiling has become a hard job for you or when your income is very low and the debts are so high.
16. You become violent when your story is almost like that of Jacob.

A songwriter says "By whom shall Jacob arise, his enemies are many. There is joy and victory in the face of his enemies. They declare that Jacob was finished." By whom shall Jacob arise, his friends are few. The few friends are not united.

17. You become violent when there is no financial breakthrough.
18. You become violent when you must get out of your present situation or every thing would go hay wire.
19. You become violent when medical experts or business experts have all predicted that you cannot make it.

20. You become violent when your hands are too weak to fight the enemies that are against you.

21. You become violent when you have come to your wit's end and your friends have forsaken you. You are all alone and unbelievers are asking you where is your God?

You need to know your God. You need to know the enemy you are fighting and you need to know your weapons so that you can be the kind of warrior God wants you to be.

I was in one of the branches of the Mountain of Fire and Miracles Ministries many years ago. In Warri, Delta State of Nigeria, pidgin is best understood. The first scripture that I quoted that day was Isaiah 35:8. When I said, "The way faring man will not err therein". My interpreter said "Those who dey waka waka for road, even though them be mumu, dem no go miss road". And I looked at him and said, what you are saying is better than what I am reading.

I made another statement "I said from the day of John the Baptist until now the kingdom of heaven suffereth violence and the violent taketh it by force". My interpreter said "The people wey no go gree take am by girigiri". What the interpreter said was the best explanation for this scripture. The people are not ready to agree with the enemy. The people who will not agree will possess their possessions by force. That is the essence of spiritual warfare. Be a prayer warrior today. God is looking for warriors. Pray until your enemies begin to release your stolen blessings.

about the BOOK

This is a highly prophetic book from the pen of a globally respected prophet. The book undertakes an incisive analysis of the present day dilemma as far as the thermometer of spiritual vitality is concerned. The author posits that it is either holy madness or horrible disgrace. This is a challenge to our generation.

Dr. Daniel Olukoya has, in the pages of this book, spoken passionately to a generation that is fast missing out on the cutting edge of spiritual currency. The pages of Holy Madness or Horrible Disgrace sound an alarm to the careless, warn the lukewarm and awake the dying conscience of believers who have lost touch with divine reality.

This book will introduce far reaching changes into your life. The content will challenge you to reject every form of disgrace.

about the AUTHOR

Dr. D. K. Olukoya is the General Overseer of the Mountain of Fire and Miracles Ministries and The Battle Cry Christian Ministries.

The Mountain of Fire and Miracles Ministries' Headquarters is the largest single christian congregation in Africa with attendance of over 120,000 in single meetings.

MFM is a full gospel ministry devoted to the revival of Apostolic signs, Holy Ghost Fireworks, miracles and the unlimited demonstration of the power of God to deliver to the uttermost. Absolute holiness within and without as spiritual insecticide and pre-requisite for heaven is openly taught. MFM is a do-it-yourself Gospel Ministry, where your hands are trained to wage war and your fingers to do battle.

Dr. Olukoya holds a first class honours degree in Micro-biology from the University of Lagos and a PhD in Molecular Genetics from the University of Reading, United Kingdom. As a researcher, he has over seventy scientific publications to his credit.

Anointed by God, Dr. Olukoya is a prophet, evangelist, teacher and preacher of the Word. His life and that of his wife, Shade and their son, Elijah Toluwani are living proofs that all power belongs to God.
